**Notes to Editors**

- Sackers appears in the top rank of firms practising pensions law in directories such as Legal 500 and Chambers.
- It is the only 100% niche pensions legal firm, having taken a strategic decision in 1990 to focus solely on pension work.
- Its capacity was enhanced when Ian Pittaway and his team from Nicholson Graham & Jones merged with the firm in 1996.
- Since then Sackers has doubled again in size in order to meet the needs of existing and new clients.
- The firm, which currently has 39 pensions lawyers (the largest group in the UK) acts on a wide range of pension schemes, including those of more than 20 companies in the FTSE 100.
- Mark Greenlees, Ian Pittaway and Jonathan Seres are available for **interview** by arrangement.
- More information about Sackers is available on its website **[www.sacker-partners.co.uk](http://www.sacker-partners.co.uk)** or by contacting **Suzanne Kavanagh** on **020 7329 6699**.
